# MEGA KULIM PHARMACY: EMBRACING GROWTH AND INNOVATION THROUGH REBRANDING

Since its establishment in 1989, Mega Kulim Pharmacy has been a trusted name in healthcare, serving the community with dedication and passion. Recently, the pharmacy embarked on an exciting transformation, unveiling a new logo and brand identity that symbolizes its growth, innovation, and commitment to the future.

## A LEGACY OF CARE AND TRUST

Mega Kulim Pharmacy was founded by RPh. Mr Ong Tok Heong and his wife Mdm Loh Wooi Chin with a vision to make healthcare accessible, affordable, and safe for everyone. Over the years, with the support of our community, we have grown to 50 branches with over 100 healthcare professionals. The pharmacy's steady growth has been fueled by its unwavering focus on the needs of the local community, a value that remains central even as it expands into new regions.

## A BOLD NEW LOOK

Rebranding is a significant step for any organization. Our rebranding reflects our evolution and readiness to meet the modern needs of our customers. While our original logo, featuring a mortar and pestle, represented our traditional roots, the new logo—a dynamic pill shape—embodies our youthful and innovative spirit. The refreshed brand identity marks a new chapter, balancing the pharmacy's heritage with a forward-looking approach to healthcare.

## VISION FOR THE FUTURE

Mega Kulim Pharmacy's rebranding aligns seamlessly with its vision and mission. "Our vision is to be at the forefront of making healthcare accessible, affordable, and safe," Mr Ong Eng Cheow stated. "This transformation strengthens our mission to deliver the best customer experience, ensuring that we continue to serve our customers with excellence." With its expansion into the central region, including its first branch in Petaling Jaya, the pharmacy is poised to bring its trusted services to even more communities. Customers can expect enhanced services, an expanded product range, and innovative healthcare solutions.

## CLOSING THOUGHTS

Mega Kulim Pharmacy's rebranding is not just about a new look—it's a promise to continue evolving while staying rooted in its core values. This milestone is a testament to its commitment to innovation and excellence in serving the community. As the pharmacy steps into this exciting new phase, it invites customers to join in this journey toward better health and well-being.

# A PILLAR OF DEDICATION: 30 YEARS JOURNEY WITH MEGA KULIM PHARMACY

For over 30 years, Ms. Yap Swee Leng has been an integral part of Mega Kulim Pharmacy's success story. Her journey is one of dedication, passion, and a steadfast commitment to serving the community. We recently sat down with Ms. Yap to reflect on her time at Mega Kulim Pharmacy and the invaluable role she has played in its growth.

## A REMARKABLE JOURNEY

"Working with Mega Kulim Pharmacy for more than 30 years has been an amazing journey," Ms. Yap shared. "From our humble beginnings as a small team to becoming one of the region's trusted healthcare providers, I've seen how dedication and teamwork can create something truly impactful."

Ms. Yap has witnessed the transformation of the pharmacy firsthand, from its early days in Kulim to its expansion into 50 branches and counting. Her contributions have been instrumental in fostering a culture of excellence and care that defines Mega Kulim Pharmacy today.

## A MESSAGE OF GRATITUDE

Ms. Yap's message to the customers and the community was heartfelt:

"I want to thank our customers for their trust and support over the years. You are the reason we strive for excellence every day, and we look forward to continuing to serve you with care and dedication."

Her words reflect the genuine connection she has built with customers, many of whom have come to see her as a familiar and trusted face at Mega Kulim Pharmacy.

## MEMORIES THAT LAST A LIFETIME

When asked about memorable moments, Ms. Yap fondly recalled:

"One of the highlights of my time here has been organizing community health talks and events. Seeing how our efforts positively impact people's lives is incredibly rewarding and reminds me why I love being part of this team."

Her dedication to community engagement exemplifies Mega Kulim Pharmacy's core mission of making healthcare accessible, affordable, and safe.

## LOOKING AHEAD

As Mega Kulim Pharmacy continues its exciting journey of growth and rebranding, it's clear that dedicated team members like Ms. Yap Swee Leng are the heart of its success. Her story is a testament to the values of loyalty, passion, and community that have defined Mega Kulim Pharmacy since its founding in 1989. We extend our deepest gratitude to Ms. Yap for her incredible contributions and look forward to many more years of shared success and meaningful service to the community.
